The Old Testament **Our Call to Faith & Justice**

The Old Testament: Our Call to Faith and Justice offers high school students a comprehensive overview of the major themes, lessons, and people of the Old Testament. It covers the story of salvation from many perspectives including both the Catholic understanding of the scripture and how the original hearers of God's Word understood its meaning.

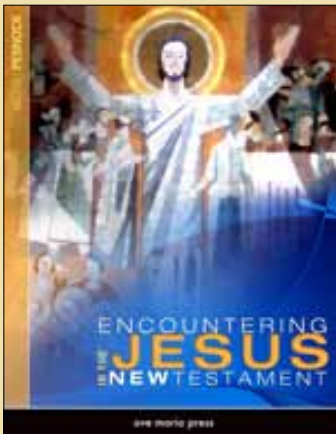

The text shows Jesus prefigured in the Old Testament, especially as Messiah and Savior, and chronicles the role of the Church in interpretation of scripture. It presents the Church as foreshadowed from the beginning of creation and prepared for in a remarkable way through the history of the people of Israel and by means of the Old Covenant.

Prove It! The Catholic Teen Bible

Any Bible can answer questions. This is the one that explains why those answers are the answers.

The answers to what? To the questions you've been asking your parents, your teachers, your friends...yourself. What's life all about and where do I fit in? What's my life all about, and where do God, family, friends and all the rest fit in?

Here is the inspired Word of God. Here is what God has revealed to us about himself simply because he loves us so much. Here is what the Catholic Church teaches about the Bible and Tradition- and why it teaches those things. Why the Bible matters not just in church but in your life.

Here is how to read the Bible- how to understand, to "de-code," what its authors were saying to their particular audiences thousands of years ago. How to truly hear what the Holy Spirit is saying to you today.
